PUBLISHERS' FOREWORD

THE Publishers have much pleasure in presenting to the public the seventy-ninth issue of THACKER'S INDIAN DIRECTORY. The fact that it has reached so many editions may be regarded as conclusive proof of its usefulness to the public.

An enormous amount of labour is required for the compilation of a work of this nature, and in spite of the difficult times we are passing through the Publishers have spared no efforts to ensure that the information contained in the book is accurate and up-to-date.

THACKER'S INDIAN DIRECTORY is the ONLY work of its kind that covers the whole of India, including Burma. It is an invaluable aid in keeping in touch with present customers and in expanding business relations.

The CHIEF INDUSTRIES section of the Indian Directory is also published in a separate volume for the convenience of merchants and agents, at Rs. 10 per copy. This edition also contains a separate alphabetical index of Companies, Factories, Works, Mills, Mines, Tea & Coffee Estates, etc.

The CALCUTTA DIRECTORY is also obtainable in a separate volume, at Rs. 10 per copy.

The Publishers again desire to thank all those who have so courteously responded to their request for information, and also those who have helped with their criticisms and suggestions. They will be grateful if readers will bring to their notice any errors or omissions. Any suggestions that may tend to make the Directory more useful to the majority of subscribers will be welcomed.

THACKER'S INDIAN DIRECTORY, title and contents, is fully protected by copyright, and all information supplied by the general public, the business community and government departments is regarded as *bona fide*.

JABAKUSUM HOUSE : : : CALCUTTA.

"Have your own house" in Calcutta
Novel Scheme and Unique Advantages

To have a house and property of one's own in Calcutta the largest city of India and the biggest centre of business, industry, commerce, education and culture amid healthy, sanitary, and beautiful surroundings is indeed a Heavenly Boon God's greatest Blessings, and one's life's Living Asset and Fortune, a source of ever-productive and ever-increasing income and the safest legacy to your family. But how few are blessed with this much-coveted possession !

But if you want to have this cherished desire of yours fulfilled you can have it done through our novel arrangement, and still we can really help you to secure this fortune without much exertion on your part. Our terms and conditions are so very easy, simple and accommodating that with moderate means you can have a land and home of your own in our Estates in return and exchange of the money lost by you towards rent every month. This is possible only because our system is more of a hire-purchase principle by which you can own a property in exchange of the money paid by you every month and permanently on rent. We allow very easy instalments and charge 6 per cent. interest, i.e., one-third of the total value now and the rest in eight years, and thus help you to be fortunate enough to have a sweet home of your own in Calcutta where you can repose in peace quite undisturbed.

We have thousands of small plots in different parts of Calcutta and the Suburbs, also near the Lakes, close to tram and bus services at Tollygunge, Russa Road, Charu Avenue, Regent Park, Bangur Park, Sargadar Garden, Dum Dum, Manicktala, Belgachia, Howrah, Shahpur, etc. Different colonies are kept reserved for different communities and nationalities Bengalee, Punjabi, Anglo-Indian, European, Mohammedan, etc.- all being provided with good roads, electricity, telephone, school, library, temple, market, dispensary, park, etc.

Don't miss this unique opportunity.

Wherever, for the sake of convenience measures are employed, they are intended to represent some specific weight of *Seer, Chittack,* etc.

* These are Bengal weights, and not used in the United Provinces of Agra and Oudh.

British Indian Money, Weights, Etc.

LINEAL MEASURE.

Notwithstanding that the cubit or human forearm is basis or unit in Oriental and Western countries, there is no fixed standard established in India.

In Bengal the measure mostly used is the following:—

1 Hath (Cubit)—18 Inches; 4 Haths—1 Danda, or—2 Yards; 2,000 Dandas—1 Coss

The Coss or Bengal mile is equal to 1 mile, 1 furlong, 3 poles, 3½ yards English

The Indian Imperial Coss is equal to 2¼ miles nearly

In the United Provinces of Agra and Oudh the average distance is about 2 miles, but it differs in almost every province in the country. For instance, in Agra and Muttra the coss is about 1¾ mile; towards the Hills the coss is a little more than a mile; in Bundelkhund it is three times as long as in other parts and is called a *Pucca coss;* while in the Doab it is the *Gow coss*, or as far as the lowing of a cow is heard at dead of night

1 Wine gallon = 4 quarts = 6 pints

Your Regimental Journal

Your Annual Journal should reflect credit to your Regiment and be turned out in the same "Spick and Span" manner as the Battalion appears on parade. A Journal that is badly printed and shoddily got up implies that the Regiment turns out in the same slovenly manner.

1904- THE PAPER IN INDIA WITH MORE THAN QUARTER OF A CENTURY-OLD REPUTATION -1939

"THE WEEKLY MOHAMMADI"

For well over thirty five years the weekly MOHAMMADI has enjoyed the confidence of readers and advertisers alike. In matters relating to Politics, Literature and Arts, it is justly regarded as the most attractive Indian Weekly paper. Its influence on the people who count is tremendous, and advertisers cannot do better than take advantage of this same influence by using the advertising columns.

"THE DAILY AZAD"

A "reliable" advertising medium with a responsive public.

The character of a daily newspaper is something of quite as great an importance as the QUANTITY of its circulation, for CONFIDENCE in the Editorial contents breeds confidence in the advertisement columns.

"THE AZAD"—THE ONLY BENGALI MUSLIM DAILY

"The AZAD is a worthy newspaper for making known worthy goods. The confidence which the readers have in the paper reflects on the advertisements it carries."

BENGAL NATIONAL CHAMBER OF COMMERCE

(Estabd, 1887)

Office—2, Royal Exchange place

Phone No Cal 3932. *Tel ad*—Conjoint

The Bengal National Chamber of Commerce, the premier institution of the Indian Commercial Community in Bengal, was founded in 1887. The objects of the Chamber are to aid and stimulate the development of commercial, agricultural and industrial enterprises in Bengal and Assam and to protect the commercial interests of all persons trading therein; to promote unanimity and uniformity of practice amongst the members of the commercial community; to represent their views and requirements to the Government, railway and port authorities; to arrange for organised action on all matters involving the interests of members including conditions of employment of industrial labour; to arbitrate when occasion occurs between parties willing to submit their differences to the Association, and generally to do all such things as may be conducive to the interests of the commercial classes of Bengal and Assam

The constitution of the Chamber extends the facilities of Associate and Honorary membership to the entire trading Community in Bengal. The number of ordinary members on the rolls is near about 400. Almost all the leading Indian Commercial and Industrial Firms and persons in every branch of the inland and foreign trade in Bengal are members of the Chamber. A considerable portion of the joint stock capital invested in Bengal in banking, insurance, steamer services, cotton mills, etc is also represented. The constitution of the Chamber provides for a close association as between the Chamber and various sectional organisations of trades and industries of Bengal

The Chamber enjoys the privilege of electing representatives to the Bengal Legislative Assembly, the Calcutta Port Trust, the Calcutta Improvement Trust, Bengal Industries Board, Economic Enquiry Board, Bengal and other important bodies

The headquarters of the Chamber are at Calcutta and its affairs are administered by a committee of 32 members in addition to the President, two Vice-Presidents and the Honorary Treasurer with the help of the Secretary and a number of Departmental committees

Office-bearers and Members of the Executive Committee—
